

Tapping: Points(200)

Description- Theres taping coming in from the wires. What's it saying nc 2019shell1.picoctf.com 49914 .

Solution:

After connecting to the server. We get

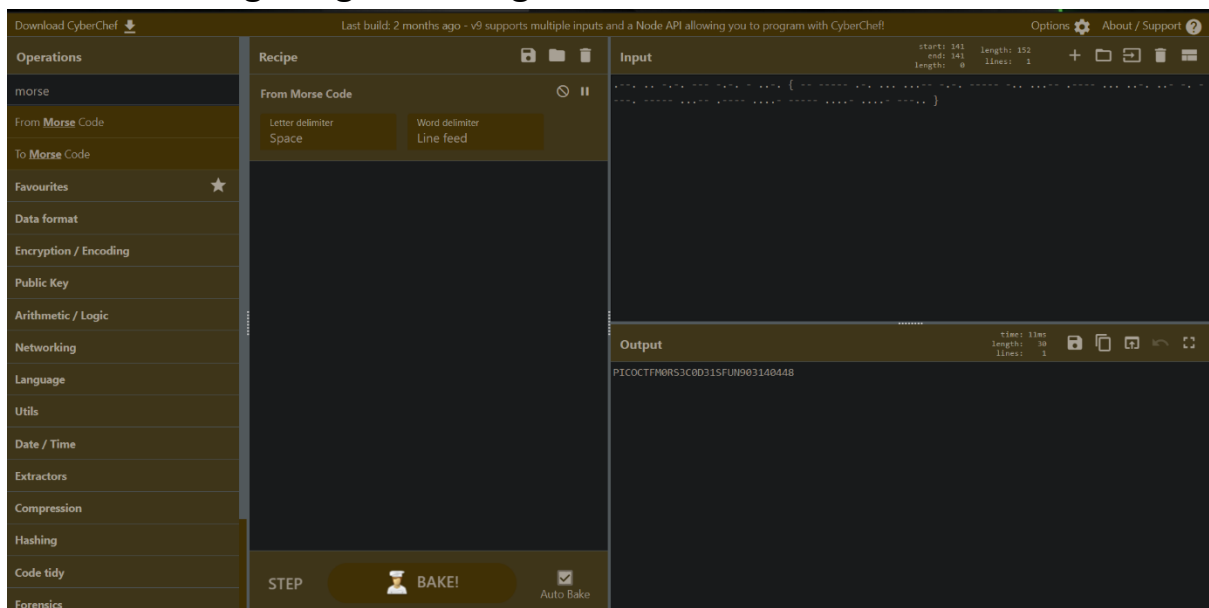

```
Shell No. 1
File Actions Edit View Help
root@Yash:~# nc 2019shell1.picoctf.com 49914
PICOCTF{M0RSE_C0D3}
root@Yash:~#
```

We can clearly see that this is a morse code.

We can decode this morse code on [CyberChef](#)

After decoding we get the flag.

The flag is: picoCTF{PICOCTFM0RS3C0D31SFUN903140448}
